"TECHNOLOGY WILL NEVER REPLACE GREAT TEACHERS.
BUT IN THE HANDS OF GREAT TEACHERS, IT BECOMES TRANSFORMATIONAL."

Microsoft Immersive Reader

Helping Every Child Read, Understand & Learn Better

A Powerful Tool for Inclusive & Language-Friendly Learning

- **Welcome to this session on Immersive Reader**
- **Learn how to support all types of learners—slow learners, multilingual learners, and children who struggle with reading**
- **Immersive Reader is free, simple, and works across many Microsoft apps**

What Is Immersive Reader?

A Reading Support Tool for All Students

- A built-in Microsoft tool that improves reading and comprehension
- Helps students read text aloud, translate, break words, and focus
- Supports students with learning difficulties, low literacy, or language barriers
- Works on laptops, mobiles, and tablets

Why Immersive Reader Matters for Teachers

Because Every Child Deserves to Understand

- **Makes reading easier and stress-free**
- **Helps slow learners and struggling readers**
- **Supports inclusive education as per NEP 2020**
- **Encourages independent learning**
- **Saves teachers time by assisting students individually**

Key Features of Immersive Reader

Simple Tools. Big Impact.

- **Read Aloud – text is spoken out loud**
- **Text Spacing – increases spacing for better readability**
- **Syllable Breaks – splits words into chunks**
- **Line Focus – shows 1, 3 or 5 lines at a time**
- **Picture Dictionary – displays images for difficult words**
- **Translate – converts text into 100+ languages**
- **Voice Speed & Gender – customize for student comfort**

Feature Deep Dive: Read Aloud

Great for Slow Readers & Auditory Learners

- **Reads any text aloud**
- **Students can listen as many times as needed**
- **Helps improve pronunciation and comprehension**
- **Perfect for English learners**

Use with students who:

- **Struggle reading independently**
- **Need revision through listening**
- **Have difficulty decoding word**

Classroom Uses for Teachers

Practical Ways to Use Immersive Reader Every Day

- Reading comprehension activities
- Homework support
- Revision of textbook chapters
- Helping slow learners access grade-level content
- Teaching vocabulary & grammar
- Supporting children with reading challenges
- Allowing students to learn independently
